LB 808 A

got some friends, his grandson, Jeff Rumery and a friend of the family, Kevin Griesor, and where are they, Senator Rumery? Oh. Well, give them our regards, Senator Rumery. Senator Cullan, for what purpose do you arise?

SENATOR CULLAN: Mr. President, a point of personal privilege.

SENATOR CULLAN: Well, state the point to the Chair, Senator Cullan.

SENATOR CULLAN: Mr. President, earlier Senator Simon accused me of sneaking something through. I did not sneak anything through. I made a motion on E & R as we have made motions several times and if Senator Simon were up in the morning in time to be here he probably would have been very.....

PRESIDENT: I'm going to have to overrule your point of personal privilege. That's not a legitimate point. Senator Chambers, have you withdrawn your motion? Yes. All right, read it in.

CLERK: Mr. President, I have an Attorney General's opinion. I have two of them and one addressed to Senator Bereuter regarding LB 448. The second one addressed to Senator Venditte regarding our rules. Those will be inserted in the Legislative Journal in full, Mr. President. Mr. President, your Committee on Enrollment and Review respectfully reports that we have carefully examined and reviewed LB 210 and find the same correctly engrossed, signed Senator Cullan, Chairman.

PRESIDENT: We have an A bill that must be moved along to catch up with its bill.

CLERK: Mr. President, 808 A, introduced by Senator Warner. (Read title to LB 808 A.)

PRESIDENT: Senator Warner.

SENATOR WARNER: Mr. President, I move that the bill be advanced. It may well be, as I understand, the bill may be amended so that A bill is not needed but in the event it's not, why it ought to be advanced so it can catch up. It may well be that we can kill it if 808 is amended as I understand it might be.

PRESIDENT: You've heard the motion. Record your vote. Have you all voted? Record.

CLERK: 25 ayes, 0 nays on the motion to advance the A bill, Mr. President.

PRESIDENT: The bill is advanced. In the south balcony we have eight junior and senior students from Ralston High School. Larry Koenig is the instructor and that's in Senator Jerry Koch's district. Thank you for being with us this morning. We now go to Final Reading. Would the Senators please return to their desks? Please return to your desks. Would the Senators kindly return to your desks. All non-senatorial personnel except from the staff leave the floor. We are on Final Reading, Senators. Would you please return to your desks so that we can start? We're not going to start until we're at our desks. In the south
